Reference is made to your letter of March 20, 1946, in which you request that the Treasury waive, for the duration of the present emergency, the requirement of rendering monthly reports by the officers of the Strategic Services Unit, covering shipments of valuables made under the provisions of the Government Losses in Shipment Act, as amended.

There is enclosed a copy of Treasury letter addressed to the Secretary of War on May 1, 1942, replying to the War Department's letter of March 27, 1942, a copy of which is also enclosed, from which you will note that the requirement of rendering monthly reports to the Treasury by officers of the War Department, covering shipments of valuables, as provided in Section 6 of Treasury Department Circular No. 577, was waived for the duration of the war and six months thereafter. It is understood that the Strategic Services Unit is now an integral part of the War Department; therefore, the exemption as set forth in Treasury letter of May 1, 1942, is applicable to the officers of the Strategic Services Unit in the same manner as it is applicable to other units and organizations of the War Department.

All other provisions of Treasury Department Circular No. 577 will, of course, remain in full force and effect, unless and until waived or modified by the Treasury Department.

By direction of the Secretary:

Very truly yours,

Fiscal Assistant Secretary
